Skills

Technical Skills

- Web developing
- Database Handling
- API Handling
- Mobile app development
- azure devops

Libraries/Frameworks

- Spring,SpringBoot
- React,Angular js
- Flask
- Laravel
- Tailwind CSS,Material UI
- JQuery

Languages

- JavaScript
- Java
- C++/C
- MySql
- Python

Version control platforms

- BitBucket
- GitHub

Languages

- English (Fluent)
- Sinhala (Native)

Developer Tools

- VScode
- Visual Studio
- PyCharm
- intellij
- Eclipse
- Sublime text
- Android Studio

Certification/Short Courses

- AI/ML Engineer - Stage 1 (SLIIT)
- Learn DevOps: Docker, Kubernetes, Terraform and Azure DevOps (Udemy) - Following
